

SIG10 Chemically Competent Cells, for protein expression and DNA plasmid production

SIG10 Chemically Competent Cells, for protein expression and DNA plasmid production

Identificativi Prodotto

Reference: CMC0001-4X40UL

Descrizione

Dati Tecnici

Purity Grade: for protein expression and DNA plasmid production

Shipped on ICE/no ICE: DICE

SAP Pack with Pack Qty: 4X40UL

Storage Temperature: -70C
